## Completed

### Leslie Street Multi-Use Path: Major Mackenzie Drive to Elgin Mills Road

In Fall 2020 the Region in partnership with the City of Richmond Hill completed the Lake to Lake segment along Leslie Street between Major Mackenzie Drive and Elgin Mills Road

2021 Progress	Expected Completion	Total Distance
89%	2023	17.8km

# City of Richmond Hill

## Future Work

### North Leslie Secondary Planning Area Developments

A trail through the North Leslie Secondary Planning Area has been protected and will be constructed as development proceeds. A multi-use path on 19th Avenue will be provided as part of York Region's improvements.

### Bayview Avenue between Bloomington Road and Stouffville Road

The Region is exploring opportunities with Regional partners to connect the constructed Lake to Lake segments to the north and south.
