Two Way Messaging

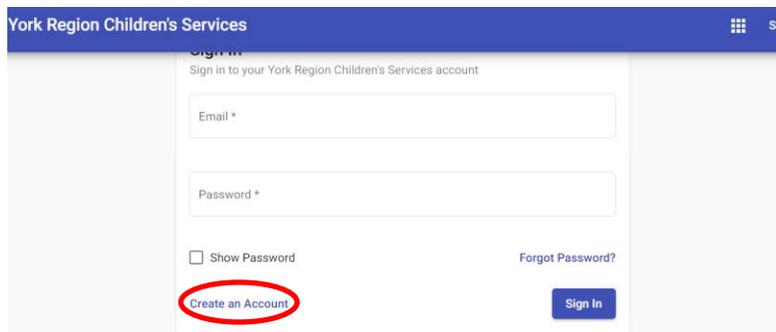

Setting up an account

Step 1: Go to www.missioninc.com/cso/york

Step 2: Select the Sign in button at the top right corner of the page

Step 3: Select 'Create an account'

Step 4: Enter the details and select 'create account'

Please note: Your email is attached to your profile. We do not recommend using a student or work email, or one attached to a telecommunications provider such as Bell or Rogers, as these emails can be temporary. If you change your email, you will have to set up a new account.

Step 5: An email will be sent to the email address provided to confirm your Children’s Services Portal account; please confirm within 24 hours of receipt. If you don’t respond within 24 hours, you will need to go back to the Children’s Services portal webpage and select “Forgot Password” to receive the confirmation email again. Please ensure you confirm your account within 24 hours.

Step 6: You will need to inform your Children’s Services Representative (CSR) by phone or email when your new account is created. The CSR will link your account, which will enable future use of secure two-way communication with York Region Children’s Services.

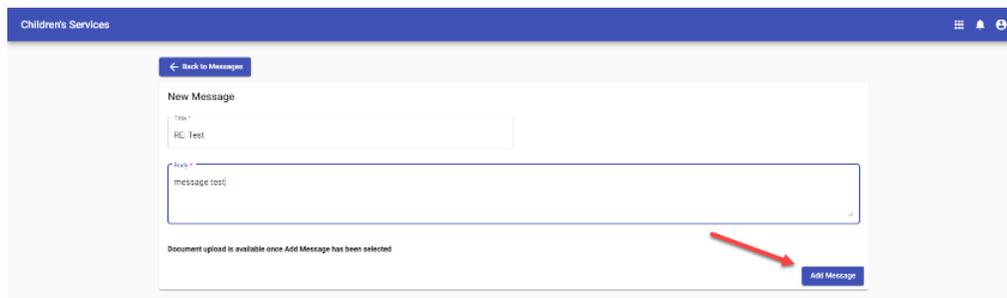

Receiving messages

Notifications for new messages will be sent to the email address that is set up with your Children’s Services account. You will also see an alert symbol when you log into your account.
