CONSENT & COLLECTION OF INFORMATION

I have read The Regional Municipality of York's COVID-19 Vaccine Information Sheet, or it has been read to me. I understand the benefits and possible side effects of the vaccine and that certain persons listedon the Information Sheet should not get the COVID-19 vaccine. I have had an opportunity to have my questions answered from a representative of the clinic location/facility.

☐ ***I consent to receiving the COVID-19 vaccine, including all recommended doses in the series***
☐ **I understand that I may withdraw this consent at any time**

FOR CLIENTS LIVING IN CONGREGATE CARE SETTINGS (example: long-term care homes and retirement homes) I understand that if I am withdrawing consent as a substitute decision maker (SDM) of an individual, then I must contact the congregate care setting that the individual resides in.

Acknowledgement of Collection, Use and Disclosure of Personal Health Information

The personal health information on this form is being collected for the purpose of providing care to you and creating an immunization record for you, and because it is necessary for the administration of Ontario's COVID-19 vaccination program. This information will be used and disclosed for these purposes, as well as other purposes authorized and required by law. For example, it will be disclosed to the Chief Medical Officer of Health and Ontario public health units where the disclosure is necessary for a purpose of the *Health Protection and Promotion Act*. It may also be disclosed, as part of your provincial electronic health record, to health care providers who are providing care to you. The information will be stored in a health record system under the custody and control of the Ministry of Health.

☐ ***I acknowledge that I have read and understand the above statement.***

You may be contacted for purposes related to the COVID-19 vaccine (for example, to remind you of follow up appointments and to provide you with proof of vaccination).

☐ ***I consent to receiving follow-up communications by email or by text/SMS***

Consent to Being Contacted About Research Studies

You have the option of consenting to be contacted by researchers about participation in COVID-19 vaccine related research studies. If you consent to be contacted, your personal health information will be used to determine which studies may be relevant to you, and your name and contact information will be disclosed to researchers. Consenting to be contacted about research studies does not mean you have consented to participate in the research itself. Participating is voluntary. You may refuse to consent to be contacted about research studies without impacting your eligibility to receive the COVID-19 vaccine. If you consent to be contacted about research studies, and then change your mind, you may withdraw your consent at any time by contacting the Ministry of Health at Vaccine@ontario.ca.

☐ ***I consent to be contacted about COVID-19 vaccine related research studies:***
☐ ***by email*** ☐ ***by text/SMS*** ☐ ***by phone*** ☐ ***by mail***
☐ ***I do not consent to be contacted about COVID-19 related research studies***
