

## **Condom Distribution Order Form**

The York Region Public Health, Sexual Health Clinics Condom Distribution Program provides condoms at no cost to non-profit community organizations that provide direct service to clients at elevated risk for unintended pregnancy and sexually transmitted infections.

If your organization would like to order condoms to distribute to your clients, please complete and submit this form. Once received, the Sexual Health Clinics Program will consider the request and will contact your agency using the details provided on this form. Information provided on the order form may also be used for program planning and evaluation purposes.

By placing an order to receive condoms for distribution, the requesting organization must agree to all of the following (place a checkmark in box beside each statement below):

- Distribute the condoms at no cost to the public within York Region
   Distribute the condoms only to clients of the organization. If the organization wishes to distribute the condoms beyond its clientele, it will obtain the agreement of the Sexual Health Clinics Condom Distribution Program
- Include printed condom instructions when distributing condoms
- Store condoms in a cool, dry place away from direct sunlight
- o Monitor expiration dates and not distribute condoms close to or past expiration dates
- Acknowledge receipt of the condoms from the Regional Municipality of York, Public Health
- Display sign and keep condoms visible and accessible to clients

Condoms will be distributed to other sites within our organization
