How to complete and submit a consent form:

- Review the enclosed information sheets together with your child. If you are requesting for your child to be immunized, click [here](#) to access and complete the **school clinic electronic consent form**. Forms that are submitted are stored in a secure YRPH database and adhere to privacy and confidentiality standards. For questions related to the submission of a consent form, please contact vaccineinformationline@york.ca or by telephone at 1-877-464-9675 ext. 73452.

- Electronic consent forms can be submitted up to and including the scheduled clinic date at your child’s school. Note: Submitted consent forms remain on file and valid for dose(s) throughout the 2024-2025 school year (both Fall 2024 and Spring 2025 clinic dates) unless consent is withdrawn.

- If your child has already been vaccinated, please submit their immunization record online at www.york.ca/immunization or call York Region Public Health at 1-877-464-9675, ext. 73456 to update your child’s immunization records. **NOTE: If these immunizations were previously completed in school or through your health care provider, additional doses are not required.**

For more information about the school immunization clinics or eligibility for vaccines call **York Region Public Health** at 1-877-464-9675 or visit york.ca/immunization

Important:

Your child can be immunized at York Region Public Health community immunization clinics if they miss their immunizations at school. Visit www.york.ca/immunization to book an appointment.
