

STOP THE CLOG!

Save pipes from **FOG**

✗ DON'T put Fats, Oils and Grease (**FOG**) down the drain

- ✓ DO place a screen over the drain to collect **FOG**
- ✓ DO use a **grease interceptor** (it's the law!)
- ✓ DO clean out your **grease interceptor** every 4 weeks
- ✓ DO scrape cooled **FOG** into the green bin

FOG includes:

- Meat fats
- All types of cooking oils
- Butter and margarine
- Gravy, marinades, sauces and salad dressing
- Lard and shortening
- Sandwich spreads such as peanut butter
