

**Don Pugh**  
**Vice President, The Daniels Corporation**

The Daniels Corporation is one of Canada's preeminent builder and developers, creating new home communities throughout the GTA. Pugh plays an integral role in the development of all Daniels' low-rise communities, from design, development and contracting, project management, sales and marketing supervision and after-sales service. He also oversees the building and operations of all Daniels' Gateway Rental communities, commercial leasing and Daniels Home Management.
