

MID-POINT REVIEW OF *HOUSING SOLUTIONS*— YORK REGION'S 10-YEAR HOUSING PLAN

Presenter: Jody DeGagne
Presentation to York Region Accessibility Advisory Committee
September 12, 2018

HOW CAN WE STRENGTHEN THE PLAN FOR THE NEXT FIVE YEARS?

- What do you see as the major housing concerns for people living with disabilities in York Region?
- What actions are needed by the Region and its partners to make the housing and homelessness system more accessible and responsive to the full range of needs in our community?

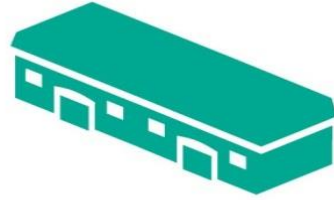

YORK REGION'S 10-YEAR HOUSING AND HOMELESSNESS PLAN

GOAL 1
Increase the rental housing supply

Expected outcomes:

- Increased supply of private sector rental units
- Increased supply of safe, legal second suites
- Increased supply of government funded units and rent subsidies

GOAL 2
Sustain the existing rental housing supply

Expected outcomes:

- Preserve the existing supply of private sector rental housing
- Strengthen the social housing system

GOAL 3
Support home ownership affordability

Expected outcomes:

- Increased new affordable home ownership options
- Supports provided for low and moderate income homeowners

GOAL 4
Strengthen the homelessness and housing stability system

Expected outcomes:

- An integrated service delivery system developed
- Low and moderate income and at-risk households will find and keep appropriate housing

ACCESSIBILITY RELATED HIGHLIGHTS FROM YEARS 1-5

- Expanded the supply of new affordable rental housing
 - Richmond Hill Hub
 - Woodbridge Redevelopment
 - Unionville Redevelopment
- Provided supports to subsidized housing tenants to address needs ranging from mental health and food security to language supports and seniors' safety

ACCESSIBILITY RELATED HIGHLIGHTS FROM YEARS 1-5 CONTINUED

- Continued to deliver the Home Repair Program to help low and moderate income households afford critical safety repairs and accessibility modifications
- Launched Home Now, a Housing First program for people with complex needs who have experienced chronic homelessness
