Subject: TRAFFIC CONTROL SIGNAL Installation
Importance: High

[Sent on behalf of Fernando Lamanna, Municipal Clerk]

RE: TRAFFIC CONTROL SIGNAL - INTERSECTION OF MOUNT ALBERT ROAD AND CENTRE STREET

For your information and records, at its regular meeting held on Tuesday September 19, 2017 the Council of the Town of East Gwillimbury enacted as follows:

WHEREAS the Regional Municipality of York has proposed to install a traffic control signal at the intersection of Mount Albert Road and Centre Street in the Town of East Gwillimbury; and

WHEREAS residents of Mount Albert have expressed concern that the proposed traffic control signal will create a traffic safety hazard and will result in traffic congestion;

BE IT RESOLVED THAT the Council of the Town of East Gwillimbury request that the Council of the Regional Municipality of York defer its decision on the traffic control signal at the intersection of Mount Albert Road and Centre Street to permit the Region to consider alternatives and options to the proposed signalized intersection and to provide for further public engagement; and

THAT Council request that the Region provide all relevant studies and reports to the residents that have requested them; and

THAT the following motion be ratified at the Council meeting held on September 19, 2017.

If you have, any further questions feel free to contact the undersigned.

Yours truly,

Fernando Lamanna, B.A., CMO, Dipl. M.M.
Municipal Clerk
