Staying Safe & Connected

Top use for Mobility
Transit by Seniors is
going to day programs
and medical
appointments

Social isolation
impacts seniors
health, safety and
overall well being

Coordinated
Community
Outreach-
coordinate events
and messaging

Community
design
contributes to
community
connection

Broader training to
recognize and
respond to senior's in
distress i.e. parks and
rec. workers, roads
workers

Need to make
connections to the
right services

Non-emergency
calls to 911 are
resource and time
intense = costly
