Re: York Region Transportation Master Plan

To whom it may concern,

As a representative of the Augustinian community at Marylake (13760 Keele St., King City), I would like to state our objection to the recommended extension of the 15th Side Rd./Bloomington Rd. from just west of Keele St. to Hwy. 400. We also object to the widening of the 15th/Bloomington from 2 lanes to 4 lanes commencing at Dufferin St. westward.

Marylake has been a place of refuge and peace for our community for 75 years. One of the Augustinian missions is to continue to provide a place of solitude, peace, retreat, pilgrimage and spiritual prayer. Further development on our property's borders will not only erode our mission and also erode the pristine and untouched eco-system we hold dear in our hearts.

Yours truly,

Br. Paul Koscielniak, OSA
Local Superior, Marylake
