

Broadband and Innovation Summit

Presentation to

Broadband Advisory Task Force

Doug Lindeblom

October 9, 2015

2015 York Region Broadband and Innovation Summit October 30, 2015

Regional Council has recognized Broadband as a priority and identified a Broadband and Innovation Summit as a deliverable in 2015

York Region Broadband Strategy: Broadband and Innovation Summit

Date: Fri., October 30, 2015
Time: 7:30 a.m. to 11:30 a.m.
Location: Sheraton Parkway Toronto
North
Theme: “York Region as an
Innovation Destination”

Target Audience:

- Regional and Local Municipal Councillors and staff
- MPPs and Provincial agencies
- Other Municipal, University/College, Utility, Hospital stakeholders
- Innovation-focused agencies and organizations
- Private sector service providers and broadband users

Focus of the event: “end uses” enabled by Broadband

TAVES

CONSUMER ELECTRONICS SHOW

October 30 – November 1, 2015

- The Broadband and Innovation Summit will be delivered in partnership with the TAVES Consumer Electronics Show

Discover Canada's Ultimate Consumer Electronics Show

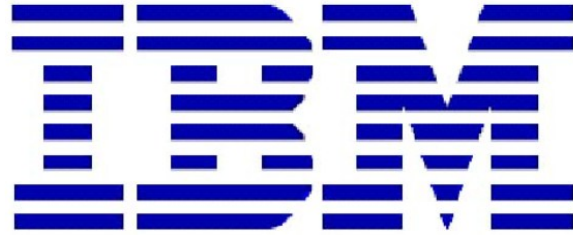

Oct 30 – Nov 1, 2015 | Sheraton Parkway Toronto North Hotel & Suites

TAVES Consumer Electronics Show reinforces the “end use” focus of the Broadband and Innovation Summit

Summit Presenters

Mark Saltzman

Address priorities, actions and measures through a morning of keynote and panel presentations and discussions

Value Added Components

- TAVES Consumer Electronics Show
- Techconnex Tech Predictions event
- Start-up York showcase
- Post-secondary link-up

The Region is providing connections to local partners that will add value to the event and generate additional interest and attendance
