

Sept. 3, 2015

Dear Council,

In our ongoing effort to educate and engage communities about waste reduction, Recycling Council of Ontario asks municipalities from across the province to demonstrate their commitment to the environment and proclaim Oct. 19 – 25, 2015 as Waste Reduction Week in Ontario.

For communities that do not formally proclaim weeks/events, we encourage additional activities for public engagement.

Waste Reduction Week in Canada is a national campaign that builds awareness around issues of sustainable and responsible consumption, encourages the selection of environmentally responsible products/services, and promotes actions that divert waste from disposal and conserve natural resources.

Your community's commitment and participation in Waste Reduction Week in Ontario demonstrates the importance of waste reduction, and encourages residents and businesses to contribute to environmental protection.

There are five ways for council to support Waste Reduction Week in Ontario.

1. Promote Waste Reduction Week in Ontario through social media using hashtag #WasteReductionWeek. Share ideas, examples, and pictures of waste reduction initiatives that show your commitment to reducing waste at home, the office, and in the community.
2. Organize Waste Reduction Week in Ontario events in your local community. Register online at www.wrwcanada.com/events.
3. Proclaim online at www.wrwcanada.com/proclamations
