Subject: May 28, 2015 council meeting

Good Morning,

I would like to make a deputation before the Council at the meeting scheduled for May 28, 2015 @ 9:00 AM. This is a special Council meeting regarding the Oak Ridges Moraine Conservation Plan Review. I have already had a meeting with Valerie Shuttleworth, Chief Planner and Marisa Talarico, Planner to discuss our concerns and present a report on our property regarding the mapping.

Please acknowledge this request so that I know that I may speak to this item. If there is any other paperwork needed to be done for this request please contact.

Thank you for your attention to this matter.

Regards,

Bob James
