To: Regional Clerk

Subject: Request for Deputant Status

Hello,

I would like to speak on May 28 on the Region's Response to the Review of the Provincial Plans.

Specifically there are two items of particular interest:

1. I would like to comment about the "Strategic Employment" request made by the Region.
2. I would like to comment about the suggestion about more flexibility for servicing communities such as Nobleton in King Township.

Could you please confirm that my name will be on the deputation list?

Also is it possible for me to do a power point presentation?

If so, when would I have to have the power point emailed over?

Thank you.

Nancy Hopkinson
