Subject: Request for Deputant Status - This Thursday's Special Regional Council Meeting on Environmental Plan Reviews

Good Morning Carrie,

Thank you for your help with being added to the list of Deputants for this Thursday's *"Special Meeting of Council 2015 Coordinated Provincial Review of the Growth Plan for the Greater Golden Horseshoe, the Greenbelt Plan and Oak Ridges Moraine Conservation Plan"*

I'm Chair of Concerned Citizens of King Township (cckt.ca). We are a 40+ year community-based, volunteer driven environmental protection group. We seek to protect and enhance King Township's rural character.

Naturally we are quite observant and concerned with the coordinated reviews of the ORMCP and GB Plan.

In October of 2014 we authored a thorough analysis and recommendations for both plans (see attached). By no means do I intent to summarize it (I can't imagine I'd have more than 5 minutes to speak). But I would like to reinforce 2-3 of our key recommendations: (Commission model of management; caution with respect of Highway 400 employment land development in Greenbelt areas; emphasis on intensification within existing village boundaries).

Thank you for your assistance and please contact me if you need any further information. (Also please feel free to distribute the electronic copy of our paper if it would be helpful).

Sincerely,

Greg Locke

Chair, Concerned Citizens of King Township
