

What's Ahead – 2015 Committee Visioning

Presentation to
**York Region Accessibility Advisory
Committee**

**Jason Hastings, Manager
Human Services and Partnerships**
April 22, 2015

The road ahead ...

- Highlight planned topics and standing items
- Consider what you want to review or act on as a committee
- Envision a joint committee project to be included in the updated accessibility plan

What to expect ...

Upcoming topics include:

- Multi-Year Accessibility Plan Update
- York Region Administrative Centre Annex
- Davis Drive rapid transit project

Standing items include:

- “Spotlight” on departments or programs
- Update on accessibility activities

Make a request ...

Committee may request details on activities that fall under the Terms of Reference such as:

- AODA requirements
- Implementation activities and compliance reports
- Accessibility of Regional buildings
- Actions in the multi-year accessibility plan
- Accessibility activities outside the legislation
- Plans to identify, and remove barriers

Envision possibilities ...creating a community that is inclusive and accessible for everyone

- What **vision** do you have for this committee?
- What **legacy** will this committee leave after four years?
- What **areas** do you see as opportunities to address to make York Region inclusive and accessible for everyone?
- What are some **project ideas** for this committee to take on?

Thank you!
