

Clause No. 2 in Report No. 13 of Committee of the Whole was adopted, without amendment, by the Council of The Regional Municipality of York at its meeting held on September 11, 2014.

2

**SOBEYS CAPITAL INCORPORATED
LOCATED AT 441 CLARK AVENUE WEST
RETAIL BUSINESS HOLIDAYS ACT APPLICATION FOR EXEMPTION**

Committee of the Whole held a public meeting on April 3, 2014, pursuant to the *Retail Business Holidays Act*, to consider a proposed bylaw to permit Sobeys Capital Incorporated located at 441 Clark Avenue West, City of Vaughan, to remain open between 8 a.m. and 6 p.m. on Good Friday and Easter Sunday in the year 2014 and any subsequent year in which Passover overlaps with Good Friday and Easter Sunday.

Consideration of the report dated March 19, 2014 from the Regional Solicitor and Executive Director, Corporate and Strategic Planning was deferred by Regional Council at its meeting held on April 17, 2014 until submission of an application from the City of Vaughan for exemption from the *Retail Business Holidays Act* for all retail businesses within a specific area to remain open on Good Friday and Easter Sunday.

Following consideration of the City of Vaughan's application, Committee of the Whole considered the application from Sobeys Capital Incorporated located at 441 Clark Avenue West, City of Vaughan, for exemption from the *Retail Business Holidays Act*, and recommends:

- 1. Deferral of consideration of the request from Sobeys Capital Incorporated pending the bylaw pertaining to the City of Vaughan's application coming into force under the provisions of the *Retail Business Holidays Act*.**

1. RECOMMENDATIONS

It is recommended that:

1. Council consider the application for exemption from the *Retail Business Holidays Act* as submitted by Sobeys Capital Incorporated (the “Applicant”) for its retail business located at 441 Clark Avenue West.
2. Council determine whether to grant an exemption from the *Retail Business Holidays Act* to allow the Applicant to remain open on Good Friday and Easter Sunday in the year 2014 and any subsequent year in which Passover overlaps with Good Friday and Easter Sunday.
3. A bylaw be presented to Council to give effect to the exemption, if granted by Council.

2. PURPOSE

This report advises Council of an application for exemption from the *Retail Business Holidays Act* to allow the Applicant to be open on certain statutory holidays. This application is the subject of the public meeting to be held on April 3, 2014.

3. BACKGROUND

The *Retail Business Holidays Act* requires businesses to be closed on certain statutory holidays

The *Retail Business Holidays Act* (the “Act”) requires businesses to be closed on public holidays unless they are exempted. The holidays to which the Act applies are:

- New Year’s Day
- Family Day
- Good Friday
- Easter Sunday
- Victoria Day
- Canada Day
- Labour Day
- Thanksgiving Day
- Christmas Day

Boxing Day and the Civic Holiday in August are not public holidays under this Act and therefore an exemption is not required for those days.

The Act sets out statutory exemptions for certain types of businesses and also provides that Council may permit businesses to remain open for the maintenance or development of tourism. A public meeting must be held to consider the application.

The following application has been received:

Business	Location	Holidays	Hours
Sobeys Capital Incorporated	441 Clark Ave. West Vaughan	Good Friday Easter Sunday	8:00 a.m. to 6:00 p.m.

In accordance with the Act, notice of a public meeting was advertised in the Vaughan Citizen and the Thornhill Liberal on Thursday February 27, 2013 and was posted on the Region's website.

A copy of this application with supporting documentation is appended to this report as *Attachment 1*.

Exemption under the Act

Businesses are exempt under the Act if the only goods available for sale on the holiday are foodstuffs, tobacco, antiques or handicrafts. These businesses shall not exceed three employees and the total area used for service shall be less than 2,400 square feet. Other businesses which are exempt are businesses selling only gasoline, nursery stock/flowers or fresh fruit and vegetables.

The Act does not apply to pharmacies as they are governed under the *Drug and Pharmacies Regulation Act* and the selling of liquor is governed under the *Liquor License Act*.

Council may permit businesses to be open on holidays if the tourism criteria are met

The Act provides that Council may permit retail business establishments to open on holidays for the maintenance or development of tourism.

A bylaw may be passed only if there is compliance with the tourism criteria set out in Ontario Regulation 711/91 Tourism Criteria (the "Regulation") under the Act. A copy of the regulation is appended to this report as *Attachment 2*. In addition, even if the tourism criteria are met, Council is not required to pass the bylaw and may exercise its discretion to refuse the application.

Section 2 of the Regulation provides that a business can be exempted if:

- it is located within two kilometres of a tourist attraction; and
- it is directly associated with the tourist attraction or relies on tourists visiting the attraction for business on a holiday.

For the purposes of Section 2, a tourist attraction is limited to:

- natural attractions or outdoor recreational attractions;
- historical attractions; and
- cultural, multi-cultural or educational attractions.

4. ANALYSIS AND OPTIONS

The Applicant is a grocery retailer that has been present in the Region for 27 years

The Applicant has been present and active in the Region since 1987. The Applicant is a supermarket totalling 35,000 square feet and has been in operation for 27 years employing 150 persons. The operating hours are currently 7:00 a.m. to 10:00 p.m.

The Applicant has submitted a corrected application to open on the following statutory holidays: Good Friday and Easter Sunday in 2014 and any subsequent year in which Passover overlaps with Good Friday and Easter Sunday.

The Applicant submitted a request to be exempt on Good Friday and Easter Sunday in 2014.

The Applicant was informed that due to the statutory requirements of the Act it was not possible to receive an exemption to be open during Good Friday and Easter Sunday this year. The Applicant's Legal Counsel submitted a correction requesting that the store be permitted to open on Good Friday and Easter Sunday for the year 2014 and any subsequent year in which Passover overlaps with Good Friday and Easter Sunday.

The Applicant submits that the store is the tourist attraction within its vicinity

The Applicant states that given the renown which the store has earned within the Jewish Community, throughout Canada and parts of the United States, for offering Kosher products that patrons are unable to find anywhere else in Canada, a significant number of Jewish families travel long distances in order to attend at the Store. The Applicant submits that as a result, the store is a cultural attraction.

The Applicant did not identify any other attractions within its vicinity therefore this application relies solely on the Applicant identifying the store as a cultural attraction.

Currently there are no bylaws applicable to this business, or any business that is in proximity to the Applicant's location and only two exemptions have been granted within the City of Vaughan. A chart showing businesses within the Region which have been granted exemption is appended to this report as *Attachment 3*.

Enactment of Bylaw

Should Council decide to grant the exemption, the bylaw will come into force on the thirty-first day after it is enacted. Under the Act, there is a period to allow for an appeal of the bylaw which may be made within thirty days, by any person who objects to the exemption. An appeal may only be made if an exemption is granted. There is no provision for an applicant to appeal if an exemption has been denied. If there is no appeal, the bylaw takes effect on the thirty-first day after it is passed.

It is open to Council to grant the exemption as requested, or to make amendments with respect to the application.

5. FINANCIAL IMPLICATIONS

There are no direct financial implications to the Region as a result of this application.

6. LOCAL MUNICIPAL IMPACT

Approval of an exemption under the Act is intended to contribute to tourism in a particular location, in this case in the City of Vaughan. A copy of the application was sent to the City of Vaughan, affording an opportunity for comment.

7. CONCLUSION

An application has been received from the Sobeys Capital Incorporated requesting an exemption from the Act to permit the retail business located at 441 Clark Avenue West to remain open on Good Friday and Easter Sunday in 2014 and any subsequent year in which Passover overlaps with Good Friday and Easter Sunday. The Applicant has not demonstrated that the retail business meets the regulatory requirements for exemption under the Act. The City of Vaughan has not commented on this application.

Council is respectfully requested to review this application and determine whether to enact an exempting bylaw, with due consideration to the criteria set out in the Regulation.

If Council elects to pass a bylaw, the bylaw will come into effect on May 23, 2014.

Re: Retail Business Holidays Act Exemption Application

Please find attached the following documents with regard to the application of Sobeys Capital Incorporated ("Sobeys") for an exemption from the *Retail Business Holidays Act, RSO 1990, C. R.30 (the "Act")*, at its store located at 441 Clark Avenue West in the City of Vaughan (the "Store"):

1. Letter from lawyer detailing the qualifications for an exemption in accordance with the Act (see below);
2. York Region Application for Exemption Form – Retail Business Holidays Act
3. Sobeys Capital Incorporated Corporate Profile Report;
4. Report and supporting data detailing how the exemption will directly benefit the community in which the business is located;
5. Map of applicant location area and parking facilities;
6. Map of tourist attraction in proximity to site;
7. Tourist attraction's information, including operating season and hours;
8. Information detailing association with tourist attraction and goods and services primarily provided to tourists;
9. Copy of notice, to be issued to retail tenants or posted in a highly visible and publicly accessible location, regarding this application.

Introduction

The Store has been operating in and serving the diverse needs of those living in the areas surrounding the intersection of Clark Avenue West and Hilda Avenue for approximately twenty-seven years. Over its twenty-seven years of service the Store has developed a renowned reputation within the Greater Toronto Area, throughout Ontario, and even into New York state for excellence in serving the specific needs of the Jewish community. The Store has become known as a one stop location that carries the largest selection of Kosher for Passover foods anywhere in Canada, as can be seen in more detail in the attached report and supporting data.

Common Pause Days under the Act

The Act provides a framework to support the principle that certain days during the year should be set aside as “common pause days”. Accordingly, section 2(1) of the Act states that: “No person carrying on a retail business in a retail business establishment shall, (a) sell or offer for sale any goods or services therein by retail; or (b) admit members of the public thereto, on a holiday.”

Included among the common pause holidays recognized under the Act are Good Friday (see subsection 1(1)(b)), and Easter Sunday (see subsection 1(1)(h)). In 2014, Good Friday and Easter Sunday fall on April 18 and April 20.

In 2014, Jewish Passover begins in the evening of April 14 and ends in the evening of April 22. Observant Jewish families are only permitted to shop during the four middle days of Passover, being April 17–20. However, this year April 18 and 20 are holidays during which the Store would be required to close under the Act, and April 19 is a Sabbath day during which observant Jewish families would not shop at the Store. Therefore, observant Jewish families would be in the difficult position of only being able to shop at the Store during Passover on one day, being Thursday, April 17.

Accordingly, Sobeys makes this application for an exemption from the Act.

Exemptions under the Act

Section 4 of the Act allows for Council to provide exemptions under the Act. The applicable subsections read as follows: (1) *Despite section 2, the council of a municipality may by by-law permit retail business establishments in the municipality to be open on holidays for the maintenance or development of tourism....*(3) *A by-law may be passed under subsection (1) only if there is compliance with the tourism criteria set out in the regulations made under this section.* (4) *Subject to the regulations made under this section, the council shall consider a by-law under subsection (1) only on the application of one or more persons carrying on retail business in the municipality....*”

The applicant is a person carrying on retail business in the municipality and believes that an exemption from section 2 of the Act would in this instance be in compliance with the regulatory criteria for the maintenance or development of tourism in the region.

Ontario Regulation 711/91 (the “Regulation”) sets out the tourism criteria which must be met before a municipality may pass an exempting by-law under section 4 of the Act. Section 2(1) of the Regulation states that “A retail business establishment may be exempted if, (a) it is located within two kilometers of a tourist attraction; and (b) it is directly associated with the tourist attraction or relies on tourists visiting the attraction for business on a holiday.” Furthermore, the section 3 of the Regulation provides that “a tourist attraction is limited to, ...(c) cultural, multi-cultural or educational attractions.”

The Store Exemption

Sobeys submits that the Store is a cultural attraction given the renown it has earned within the Jewish community throughout Canada and parts of the United States. As can be seen further in the attached report, Jewish families travel long distances in order to attend at the Store in order to purchase kosher products that they are unable to find in one store anywhere else in

Canada. While the Store continues to be a cultural attraction throughout the year, the significance of its attraction to the Jewish community is at its most significant during the Passover holiday when the Store's kosher products are most in demand.

Therefore, Sobeys believes that as a cultural attraction the store qualifies as a tourist attraction under section 3 of the Regulation. As the Store is within two kilometers of the tourist attraction, is directly related to it and would rely on tourists visiting the attraction for business during a holiday, Sobeys submits that it also satisfies the criteria under section 2 of the Regulation.

Since the criteria under the Regulation are satisfied, Sobeys submits that the Store should qualify for an exemption under the Act for those holidays in which there is a clear conflict with demonstrated, historical traditions related to the cultural attraction. In 2014, there exists a conflict between the traditional Jewish practice of shopping for kosher Passover products at the cultural attraction between April 17-20 and the Good Friday and Easter Sunday holidays scheduled for April 18 and 20. Sobeys therefore believes that it would be appropriate for Council to provide an exemption for Good Friday and Easter Sunday in 2014 thereby allowing the Jewish community to attend at the Store to shop for Passover products during those days.

Conclusion

Sobeys submits to Council that it would be appropriate to provide an exemption under the Act to allow the Store to open in 2014 during the Good Friday and Easter Sunday holidays because:

- (a) Council may by by-law permit retail business establishments in the municipality to be open on holidays for the maintenance or development of tourism;
- (b) there is compliance with the tourism criteria set out in the Regulation, namely that:
 - (i) the Store is a cultural attraction given the number of Jewish families which travel long distances to purchase kosher products there especially during the Passover holiday; and
 - (ii) the Store is within two kilometers of the tourist attraction, is directly related to it and would rely on tourists visiting the attraction for business during a holiday; and
- (c) Sobeys, as the applicant, is a person carrying on retail business in the municipality.

Sobeys is grateful to Council for its time and attention to this matter and would be pleased to provide further information at Council's request.

Yours very truly,

Re: *Retail Business Holidays Act Exemption Application*

Dear Ms. Basant Sisavang:

I am in receipt of your email communication to John Battista dated February 20, 2014 in which you have requested three clarifications to the *Retail Business Holidays Act* exemption application of Sobeys Capital Incorporated ("Sobeys"). I am pleased to provide the following clarifications to your questions:

Question #1: Are you requesting that your store be open on Good Friday and Easter Sunday for the year 2014 only?

Clarification #1: Sobeys requests that the store be permitted to open on Good Friday and Easter Sunday for the year 2014 **and any subsequent year in which Passover overlaps with Good Friday and Easter Sunday.**

Question #2: There are 2 different operating hours listed in Section 3, is it the intention to have different hours for Friday and Sunday?

Clarification #2: It is Sobeys intention to be open Friday and Sunday from 8:00 a.m. to 6:00 p.m.

Question #3: Tab 1: Page 2, last paragraph and page detail that the store location is a cultural attraction and the application lists the community and Passover holidays are the attraction, please provide clarification on which of these noted 'tourist attractions' Sobeys is relying on in the application?

Clarification #3: Sobeys submits that given the renown which the store has earned within the Jewish community throughout Canada and parts of the United States, the number of Jewish families that travel long distances in order to attend at the Store in order to purchase kosher

products that they are unable to find in one store anywhere else in Canada, **the Store is a cultural attraction**.

Thank you for your attention to this matter and please feel free to contact me directly should you require further information.

Yours very truly,

John Latham

**Retail Business Holidays Act
Loi sur les jours fériés dans le commerce de détail**

**ONTARIO REGULATION 711/91
TOURISM CRITERIA**

Consolidation Period: From December 1, 1991 to the [e-Laws currency date](#).

No amendments.

This Regulation is made in English only.

1. This Regulation sets out the tourism criteria that must be met before a municipality may pass an exempting by-law under subsection 4 (1) of the Act. O. Reg. 711/91, s. 1.

2. (1) A retail business establishment may be exempted if,

- (a) it is located within two kilometres of a tourist attraction; and
- (b) it is directly associated with the tourist attraction or relies on tourists visiting the attraction for business on a holiday. O. Reg. 711/91, s. 2 (1).

(2) An exemption granted on an area basis may only be given if,

- (a) all of the retail business establishments in the area are within two kilometres of the tourist attraction;
