

Jim Davidson
Commissioner of Corporate Services

MEMORANDUM

TO: Region Chair and Members of Regional Council

FROM: Jim Davidson, Commissioner, Corporate Services

DATE: April 16, 2014

RE: **Approval to Expropriate Toronto-York Spadina Subway Extension
Project 90996, City of Vaughan
Clause 8 of Committee of the Whole Report No. 8**

It is recommended that Clause 8 of Committee of the Whole Report No. 8 be referred back to staff.

Due to an administrative oversight, "Notices of Application for Approval to Expropriate" were not delivered to the affected owners by external legal counsel. Therefore, the approval to expropriate the subject lands cannot be considered by Council at this time.

Over the next few months, staff and external counsel are expecting signed Section 30 Agreements from the affected owners. In this case the expropriation process can be abandoned. If Section 30 Agreements cannot be secured, staff will resubmit the report for Council consideration in September 2014, which will allow sufficient time to deliver the prerequisite notices and for statutory deadlines to pass.

For more information on this report, please contact René Masad, Director, Property Services Branch at Ext. 71684.
