Regional Rent Assistance Benefit Calculation Form

TENANT(S):		
UNIT #	UNIT SIZE	EFFECTIVE DATE:

Step 1: Maximum Shelter Allowance for Ontario Works (OW) and Ontario Disability Support Program (ODSP) beneficiaries

Enter the Maximum Shelter Allowance for each OW or ODSP benefit unit. Attach a copy of the benefit statement(s) showing the number of beneficiaries and the T1 General and Notice of Assessment for each adult. If there are no OW/ODSP beneficiaries enter $0.

Name of Primary Beneficiary	Number of Beneficiaries	Benefit Type (OW or ODSP)	Maximum Shelter Allowance
	Total Shelter Allowance (A)		0

Step 2: Income Tax Return Information

Enter the total amount from line 150 on the Income Tax Return for each adult not listed in Step 1. Attach a copy of the T1 General and Notice of Assessment for every adult in the household. (Adult children attending school full time must provide their income tax documents but their income should not be included below.)

Name	Income from Line 150
Total Household Income = (B)	0
Monthly Household Income (B divided by 12) = (C)	0
30% of (C) = (D)	0

Step 3: Calculate Tenant Contribution

Total (A) + (D) = (E)	0
Minimum Tenant Contribution = (F)	
Enter (E) or (F), whichever is Higher = (G)	0
Utility Allowance from Table 3 or Guide = (H) *(if applicable)*	
Insurance Allowance from Table 3 of Guide = (I) *(if applicable)*	
Tenant Contribution (G - H - I) = (J)	0

Step 4: Calculate Rent Benefit

Market Rent (K)	Tenant Contribution (J)	Rent Benefit (K - J)
		0
